INDEX TO VOLUME 9

Note: Each subject area is indicated by a CAPITAL letter and the articles within each subject area are assigned a number. Thus, each article has a code such as C-3, N-5, etc. The number of the first page of each article is shown in italics in both the subject and author index. The subject code for each article also appears after the author's name, thus providing a cross-reference between the two parts of the index—subject and author.

SUBJECT INDEX (65 articles)

A. Academic Achievement and Related

1. Accuracy of expectation of a university's environment as it relates to achievement, attrition, and change of degree objective, 44.
2. College students' preferences among four types of professors, 259.
3. (The) OASIS—an evalution, 120.
4. Personality factors related to college achievement and attrition, 120.
5. (The) student profile section of ACT related to academic success, 177.
6. Withdrawal of academically gifted women, 171.

B. Academic Advising

1. Faculty advising: the problem of assigning students on the basis of intended major, 334.
2. Student faculty relations and the faculty advising system, 400.

C. Administration and Policy Formulation

1. (The) new experimental college: a challenge to student personnel work,
2. (An) ombudsman for the university, 112.
3. Personnel services in protestant theological school, 272.
4. (A) tri-level concept of personnel services in two-year colleges, 126.

D. Admission and Retention

1. High school seniors: a junior college or four-year college, 105.
2. Limitations of attrition rates and causes given for dropping out of colleges, 386.
3. (A) pre-admission program for students with low academic promise, 320.
4. Use of research results in matching students and colleges, 312.

E. College Climate

1. Changes in university perceptions during the first two college years, 85.
2. Perceptions of a junior college environment, 40.

F. Counseling

1. Characteristics of clients and non-clients, 153.
2. Diagnostic usefulness of the 6PF in counseling, 378.
3. Impact of counseling center brochures, 97.
4. Student and counselor perceptions of college environments, 79.

G. Educational Skills (none)

H. Financial Aids

1. Financial aid decisions and the socio-economic class of applicants, 146.

I. Foreign Students and International Education

1. Adjustment of American youth in cross-cultural programs, 2.
2. Critical requirements of foreign student advisers, 190.

J. Fraternities and Sororities

1. Helenic affiliation scale, 332.

K. Housing

1. Developmental stage and choice of residence in college, 90.
2. Effects of homogenous housing assignments for high ability students, 75.
3. Effect of varying corridor illumination on noise level in a residence hall, 150.
4. Housing selected by senior women and academic aptitude, achievement and progress, 94.
5. Increasing the effectiveness of the selection of resident counselors, 193.
6. Learning in residence halls revisited, 330.
7. Parental reaction to off-campus living for freshmen, 161.
8. Student perceptions of residence hall environments: living-learning vs. conventional units, 266.
9. Student reactions to four types of residence hall, 232.

L. Orientation

1. Programmed-instruction technique in new student orientation, 246.
2. Student evaluation of a college orientation program, 158.

M. Placement and Follow-up (none)

N. Professional Problems

1. (An) ACPA program for 1968-69, 219.
2. Doctoral research in college student personnel work, 24.
3. How others see us, 225.
4. Non-researchmanship, 32.
5. Professional preparation of student personnel administrators as perceived by practitioners and faculty, 17.
6. Systematic sampling over an alphabetical listing of university freshmen, 337.

O. Student Activities and Government

8. Student perceptions of residence hall environments: living-learning vs. conventional units, 266.
9. Student reactions to four types of residence hall, 232.

L. Orientation

1. Programmed-instruction technique in new student orientation, 246.
2. Student evaluation of a college orientation program, 158.

M. Placement and Follow-up (none)

N. Professional Problems

1. (An) ACPA program for 1968-69, 219.
2. Doctoral research in college student personnel work, 24.
3. How others see us, 225.
4. Non-researchmanship, 32.
5. Professional preparation of student personnel administrators as perceived by practitioners and faculty, 17.
6. Systematic sampling over an alphabetical listing of university freshmen, 337.

O. Student Activities and Government

1. Current and developing issues in student life, 363.
2. Involvement in extracurricular activities and dropout, 60.

P. Student Characteristics and Development

1. College freshmen MMPI norms over a 14 year period, 404.
2. College men and the draft, 371.
3. (A) comparison of junior college students in transfer and terminal curricula, 325.
4. Criteria of student development, 308.
5. Freshman satisfaction with college, 382.
6. Home background and self-actualization attainment, 49.
7. (The) mystique of the college athlete, 54.
8. (The) nonpersistent university freshman, 165.
9. Personality characteristics of athletes, 109.
10. Personality characteristics of students who write letters to the editor, 253.
11. Pleasantness and Unpleasantness: the subjective dimension of college student experiences, 195.
12. (A) program of research on student development, 299.
13. Reactions of university audiences to controversial speakers, 291.
14. Student sexual expression, 9.
15. Student sub-cultures and personal values, 34.
16. Trends in religious attitudes of college freshmen: 1961-1966, 256.
17. (The) typical student—a study in perceptions, 100.

Q. Student Conduct

1. College disciplinary problems: a review, 180.

R. Vocational Choice and Development

1. College curriculum and success in general business, 238.
2. Vocational indecision and interest development in college freshmen, 393.
